# handmade soap

Our soaps are popular and well-regarded. We pride ourselves in using only organic ingredients such as olive oil and butter that are naturally rich in antioxidants, vitamins, and minerals, which are highly beneficial for your skin. Our soaps are known to provide relief from skin conditions such as eczema, psoriasis, and acne, as well as dryness and constipation. Unlike regular soap, our handcrafted soap contains fewer cleansing ingredients, making it gentler on the skin and leaving you with a healthy glow.
